

Erie Avenue Extension (Ware Road to Bentsen Road)

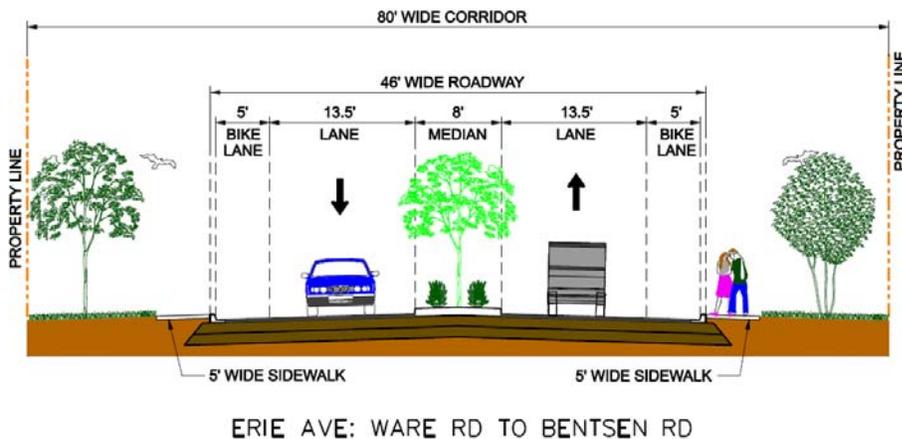

Project Description

This project extends Erie Avenue from Ware Road to Bentsen Road and provides a new access to the Nature Center. This new roadway extension will create an east to west connector between Business 83 and Interstate 2 (US 83). This construction includes an urban section with two lanes, a center landscaped median, and bike lanes. The Thoroughfare Plan classifies Erie as a Collector with up to 80 feet of right of way.

Begin Design, Engineering and ROW Acquisition	2014
Begin Construction	2015
Estimated Completion	2016

Status

Project has not started. Schedule will be adjusted to meet program needs.
