

BECOME A GUARDIAN "AMERICAN SPIRE OF HONOR"

The "American Spire of Honor" is being constructed in the center of the Veterans War Memorial of Texas, McAllen, Texas.

This 105 ft black granite Spire is a symbol of the love and honor bestowed by this Nation on the U.S. Military men and women (1.3 million) killed and missing in all the wars and conflicts of this Nation.

YOU MAY BECOME A GUARDIAN - of this Majestic Spire. Your name will be inscribed on a black granite wall alongside the Memorial Spire. As Guardian, you will stand for all of time, as protector and Guardian of these men and women, who sacrificed their lives in the service of their country for the principals of freedom and liberty.

Future generations of family and historians will look with pride to these Guardians of the past, who faithfully brought forward the spirit of those who created and defended the freedoms that made this Nation a bastion of liberty for the world.

YOUR DONATION of \$100.00 dollars or more will ensure the "Will and Spirit" of American Warriors are passed to future generations. In addition to your name being inscribed on a granite wall you will be awarded a numbered certificate declaring you as an official Guardian of the "American Spire of Honor"
