Kobe B. Marquez, Grant Manager, City of McAllen

Kobe B. Marquez serves as the Grant Manager for the City of McAllen's Grant Administration Department, where he leads the development and submission of competitive funding proposals to federal and state agencies. In this role, he oversees the full grant lifecycle, including research, application development, and post-award compliance. Collaborating closely with City leadership, Kobe ensures alignment between programmatic goals and fiscal requirements, positioning the City to secure and effectively manage funding that supports strategic initiatives and community impact.
