Hidalgo County Requires Masks During Stay At Home Order

Effective at 11:59 p.m. on Tuesday, April 7, Hidalgo County is requiring every resident to wear a nose and mouth covering when out in public, if social distancing cannot be maintained, or in a building accessible to the public. Also, note that the order does NOT mandate the use of N95 or medical grade masks for this purpose. Please be advised a scarf, handkerchief, or other cloth mask can be worn. These types of masks will be required to be used as appropriate until this order expires on April 30.
