The foregoing is a true and correct description of the improvement proposed by the undersigned applicant and the applicant states that he will have full authority over construction of same. The building permit shall not be held to permit or be an approval of the violation or modification of any provisions of City ordinances, codes, subdivision restrictions of State law or be a waiver by the City of such violation. Alteration changes or deviations from the plans authorized by this permit is unlawful without written authorization from the Building Inspection Department. The applicant hereby agrees to comply with all City ordinances, codes, subdivision, restrictions and State laws and assume all responsibility for such compliance. It is understood that the improvements shall not be occupied until a Certificate of Occupancy has been issued. Every permit issued shall become invalid unless the work authorized by such permit is commenced within six months after its issuance or if the work authorized by such permit is suspended or abandoned for six months after the time of work is commenced. This permit is good for one year only.
